

Digital Delivery Services Basic Digital Download Agreement

Two year agreement

Non-exclusive. Future artist and label releases are not automatically included.

No set-up fees. You will need to provide the following:

- Music (**required**) wav or (high quality) MP3 uploads
- UPC # (bar code) (**required**) – Even if there is not a physical counterpart, a unique UPC number is still required. If you do not have one, you can purchase one here for \$10.00 <http://www.nationwidebarcode.com>
- Album graphics (**required**) and liner notes, guest artists or other information uploaded in a hi res format.
- Publishing and PRO information (**required**)

Quarterly payments will be made on the following payment schedule: January, April, July, & October. Accounting tends to run 60-150 days behind actual usage. Statements are issued quarterly but payments under \$25.00 will be carried over to the next cycle.

The artist and/or label will be responsible for paying any mechanical royalties due as a result of their sales.

The artist and/or label will be responsible for clearances on any music submitted.

When warranted, we will work with you regarding marketing opportunities with the sites. These may be “free” tracks, live concerts or additional “unreleased” tracks. Deep link tools can be provided for use on your web site(s).

Ringtones, ringbacks and other mobile delivery offerings are a part of our services but the large carriers are very selective as to what they offer on their platforms. We can arrange to make your ringtones available to fans via your website, MySpace, etc.

Please be aware that music submitted to us for representation may take 4-8 weeks to be offered on the download sites.

Here are examples of what we receive from the following Digital Download sites:
